

# DRIVER'S LICENSES FOR ALL RI DRIVERS

Rhode Island should make obtaining a driver's license accessible to our immigrant neighbors who have lived, worked and contributed to our communities for many years.

Legislation introduced by Representative Williams (H7712) and Senator Ciccone (S2416) would allow the Department of Motor Vehicles to issue an alternative ID driver's license to undocumented residents.

## PUBLIC SAFETY

Our state's driver's license system provides an important public safety function. To gain a license, a driver must demonstrate basic knowledge of traffic laws, have good vision and pass a driving test. The AAA Foundation for Traffic Safety reports that unlicensed drivers are almost five times more likely to be in a fatal accident than licensed drivers (1). This legislation will ensure there are more insured and licensed drivers on our roads.

## ECONOMIC PARTICIPATION AND OPPORTUNITY

Immigrants contribute an estimated \$31 million in taxes to RI, including 3.9 in income taxes, \$17.6 million sales taxes, and \$9.7 million in property taxes(2). Immigrants without access to driver's licenses restricted their activities at church and community groups and reduced their large consumer purchases (3). Allowing our working neighbors to have a driver's license will not only ensure they're safe drivers but can promote additional work hours or job changes that can improve economic security for them and their families.

## SAFER ROADS

The Latino Policy Institute's comprehensive analysis of the effects of driver's licenses for undocumented residents in the states that allow it found that these states have lower traffic fatalities, lower cost of car insurance, and declining poverty rates. The Institute concludes that "issuing driver's licenses to undocumented Rhode Islanders will lead to safer roads and potentially better economic opportunities(4)."

## RI CAN ISSUE LICENSES

15 states have passed similar laws: As of December, 2019 fifteen states, as well as the District of Columbia and Puerto Rico, have enacted similar laws. Rhode Island should join the other New England states, Connecticut and Vermont, as well as California, Colorado, Delaware, Hawaii, Illinois, Maryland, New Mexico, Nevada, New Jersey, New York, Oregon, Utah, and Washington in passing driving licenses to undocumented residents(5).
